

**Expect more. Get more.
J. D. Van Nest & Associates.**

Tired of benefits packages that don't measure up to your business or employee needs?

Do you want to be more than an account number or a prompt on your health carriers' voicemail system?

expect | more

J. D. Van Nest & Associates is a dedicated employee benefits specialist with more than a decade of experience in providing insurance coverage to small and medium-sized businesses. It's our job to make sure your business is getting the most value for your employee benefits coverage, services, and support investment. From enrollment to claims, and all points between, we can provide the support your business and employees need to grow and prosper.

Schedule an appointment today for a top-to-bottom assessment of your current employee benefits package with a J. D. Van Nest representative. Learn how and why your company can expect more and get more from your coverage. Call us at 408.725.8777.

attention to detail

What you need is an employee benefits specialist that can help you navigate through a sea of choices and options to tailor an insurance package that's optimal for your business and your employees.

J. D. Van Nest & Associates is a dedicated employee benefits specialist with more than a decade of providing insurance coverage to small and medium-sized businesses. We can provide the guidance and ongoing support needed to select cost-effective and cost-efficient leading-edge products and services specifically targeted toward protecting your company and its people.

Are you frustrated with the high cost of Health Insurance?

Are you worried about the Affordable Health Care Act and how it will affect your business?

Do you question if your employees really appreciate the benefits you provide?

Expect More Value

At J. D. Van Nest & Associates, we believe selecting the right insurance coverage starts with a conversation about your business needs today and, more importantly, for the future as it continues to grow and prosper. We make sure that you always have the value-added support needed at every turn and around the clock, from initial enrollment and education to HR compliance, to even walking you through the claims process should the need arise.
